Re: Rebecca Bilodeau
Mag. No. 04-108

Dear Deputy Clerk Mulvee:

Please accept this letter as a request to unseal the above-stated case. Ms. Bilodeau was the subject of a material witness complaint issued by the Court on or around September 23, 2004. Although the material witness complaint and warrant was ultimately dismissed by the Court, the matter remained sealed. Because there is no reason to continue to have the matter sealed, the United States respectfully requests that it be unsealed.

Thank you for your attention to this matter.

Sincerely,

THOMAS P. COLANTUONO
United States Attorney
